RE: BUSINESS AUTO QUOTES

The FAJUA is working with our new provider, Blue Cod, to provide rates for your Business Auto risks while the system for quoting is being updated.

**The FAJUA is a market of last resort and is not a market for competitive quotes. If you are looking for a lower premium for your client, please try other markets or if you have none, refer your clients to other producers.**

To give producers an accurate quote we require the following information.

- (1) An FAJUA application totally completed but not bound.
- (2) MVRs for all drivers dated within 15 days of the date of the quote request.
- (3) Current vehicle registrations in the name of the client shown on the application.
- (4) Risks with more than 4 vehicles must include 3 years of loss runs as well as all information that is required for filings. These risks are individually, manually rated and a quote may take up to 30 days before sent to the producer.
- (5) No request for a quote can be bound prior to receipt of the quote from the FAJUA provider, Blue Cod.

Requests for RENEWAL QUOTES must be submitted in advance of the date of expiration or the quote may be received late and your client will have no coverage. If a policy expires on 10/1/2014 the request must be received no later than 5 business days in advance. We will endeavor to provide priority treatment for renewal quotes provided all

the required information is received with each request. Please send a copy of the expiring policy and the nonrenewal notice with the request for the quote.

Requests for quotes that are not renewals are to be submitted no less than 10 business days prior to the date of expiration.

Failure to send the documents required can result in quotes being sent after the date requested.

Should you have any questions, please send them to the FAJUA at [HelpFAJUA.ORG](mailto:HelpFAJUA.ORG). Questions will be answered in the order received. A phone call will not speed the process. Please, no calls regarding the status of a requested quote.
