

1. Never accept payment for a Non-Bound Commercial Application. This gives the impression of bound coverage.
2. A non-bound commercial application is a 'request for coverage'. If approved, we will send you a binder form with an official FAJUA premium quote.
3. The binder we send can be bound any day in the future or the day you receive.
4. We will NOT allow back dating of binders.
5. Even though the application is a 'request for coverage', both you and the applicant have to sign.
6. All applications submitted through the EASi 2.0 system, must be mailed to AIPSO within 10 days of submittal.
