FROM: FAJUA MANAGEMENT

**RE: EFFECTIVE 10/01/2017 - CRITICALLY IMPORTANT  
INFORMATION FOR FAJUA PRODUCERS**

The FAJUA is currently working on changing our service provider for all Policy Processing from Blue Cod Technologies to AIPSO. This process involves non-renewing all current policies beginning with **10/01/2017** renewal effective dates. [Anything that has a renewal date prior to 10/01/2017 WILL RENEW in the Blue Cod system.](#) On or about **08/15/2017** the first of these letters will be sent to you and your insureds. This process will continue for another 12 months as all active policies are rolled off. These policies can be re-written in the new system with our new provider and details on that will follow. This is the first of many emails that will go out in the coming weeks. Please read them carefully.

We are very excited about this change. We think you will be very happy with the new quoting system.

As always, if you have any questions, comments or concerns, please contact the FAJUA office at 850-681-2003.
